

The Mazda of Mesquite Advantage

At Mazda of Mesquite, our highly qualified technicians are here to provide exceptional service in a timely manner. From oil changes to transmission replacements, we are dedicated to maintaining top tier customer service, for both new and pre-owned car buyers! Allow our staff to demonstrate our commitment to excellence.

Our Mazda Certified Technicians are Mazda experts with exclusive access to Mazda technical support and training. We focus exclusively on Mazda vehicles. That means we won't scratch our heads and say, "take it to the dealer". The buck stops with us!

Mazda parts are specifically engineered for your Mazda; not broadly engineered for many makes and models. That means parts that always fit and always work best for your Mazda vehicle.

Through our partnership with Mazda and Castrol Oil, when you service at Mazda of Mesquite you will receive checks valued up to \$20 to use for any service or parts needs with us. To demonstrate Mazda's commitment to properly engineered parts Mazda offers a lifetime warranty on brake pads. That means you buy them once and you will never have to pay for the brake pads again!

Mazda of Mesquite is aware your time is valuable so we make setting service appointments easy with online & mobile appointment setting and convenience email appointment reminders. When you pre-set an appointment with us we do our homework and prepare for your visit which save you time once you arrive.

For your convenience, during your service visit we offer free wi-fi, coffee and light snacks. And you can choose to watch TV or use a workstation. We will also shuttle you home or to work, if you choose.

We offer competitive pricing. In fact check out this comparison on frequent maintenance items:
